

## Breathe Technology, Umajin's Authorized Training Partner

introducing the

**Umajin Training Programme**

### Getting started

#### **Introduction to Umajin: Stage 1 (3 hours)**

Discover the power of Umajin. In this workshop you will learn how to use Umajin while putting yourself into a scene from Dr Seuss and creating a resource that can be used in your classroom. Your facilitator will share ideas for integrating Umajin into the classroom programme.

"Incredibly motivating for the children to see all of the process, and to practice each stage, knowing that they can do this! Valuable for me to get the necessary training, along with the students and being able to help them."  
Teacher- Pahiatua School

#### **Introduction to Umajin: Stage 2 (3 hours)**

Bring your students published work and presentations to life with videos and animation. This workshop will be in two parts. The first will show you how to use video within Umajin and how this can be integrated across all areas of the curriculum. In the second part you will learn how to create 2D animations with Umajin.

### Continuing your learning journey

#### **Desktop publishing with Umajin (3 hours)**

Umajin is a powerful desktop publishing tool. From bookmarks to posters and comics to business cards, discover how Umajin can take your students published work to the next level. This hands-on workshop will give you the chance to try many ideas and your facilitator will show you how desktop publishing can be integrated powerfully into all areas of the curriculum.

#### **Digital Stories with Umajin (3 hours)**

Discover how Umajin can be used to enhance the storytelling process. Digital storytelling and storybooks produced by students will enhance their reading, writing and oral language. This will be a hands-on workshop where you will have the opportunity to create different types of stories and discover ways to integrate Umajin and storytelling into your classroom programme.
